

George “Harmonica” Smith Riff

Here is a fun riff that I got from a George “Harmonica” Smith recording. It is much more than just playing the notes so be sure to listen to George Harmonica Smith recordings to get an idea of his sound.

-3 -3 -4 4 -3 -2 -1 1 -1 -2 ➡ 7 -6

Here is a link to a video of me teaching how to play this on Youtube: <https://youtu.be/2gEKv8PvU28>

If you want help with bending notes or any other harmonica or music technique, I am available for harmonica lessons via Skype or Facetime. Simply send an email to me at: Joe@harmonicajoe.com and we can get it set up.
